<u>Student Council Report</u>
9/10/2018
700-8:00 PM
19 students present

<u>Agenda</u>: Welcome, student and staff introductions. Miguel spoke about Campus security and safety. Discussed Acronyms SAS, ESL and ASE- ESL Program Specialist shared phone number, class locations and times. Students shared age of the school and memories of last year's celebration. Tatiana explained that 5 members from the WASC committee would be at the school March 3-5-2019 and they " would be looking at everything". Tatiana explained that we wanted the WASC report to have the voices of our students and so she explained the project we were enlisting their help with. Each student was asked to identify strengths and areas for improvement at SAS. These were all displayed and discussed.
